

Primary resource sheet

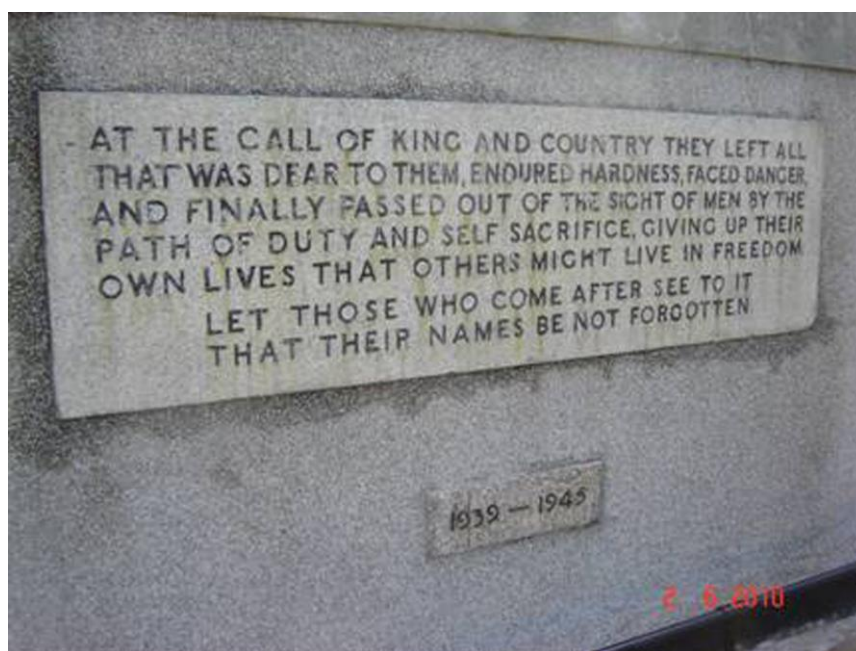

Why were war memorials created?

War Memorials Trust

Look at the pictures on this sheet and think about what you can learn from them. Can you answer these questions?

- Are there clues about when the memorials were built and why they were built?
- Who built the memorial?
- Why did they want to build it? Can you work out what people might have been feeling at the time and they wanted other people to think?

War Memorials Trust 14 Buckingham Palace Road London SW1W 0QP
