What do I know about World War II?

War Memorials Trust

This sheet is for you to record your ideas about what World War II at the start of the topic. This can be used as a record of what you have learned during your lessons on the topic.

What do you already know about World War II?

Think about questions like:

- When the war happened
- Any main battles or events you know about
- Who was in charge of the country during the war
- Which countries were involved
- What ordinary life was like for people at the time

Using the resources your teacher has shown you, what do these tell you about World War II?

Are there clues about:

- When the war happened
- What happened
- Who was affected or involved
